Uncollected Child Policy

EYFS 3.73

Procedure for Late/Non Collection

1. If a parent/carer has not collected their child, firstly check the registration file and the phone for messages/change of collection details. Also check with the other staff to ensure they have not received any messages.
2. Find the relevant registration form/find the details on BabysDays System and use the phone to contact the parent/carer to see if there is a problem.
3. If you are unable to contact the parent/carer then contact the names on the Registration List who are down as the emergency contact, if the parent is unable to collect their child. Please ask for I.D. or a password.
4. If there is no one who can assist, the Manager and another designated member of staff will stay with the child for 1 hour at the end of session. If the parent/carer has not made contact then the Manager should contact Access and Referral (Children's Services) on: **03003008585** (Mon - Thurs 8.45am - 5.20pm, Fri 8.45am - 4.20pm). Outside these hours contact the 'Out of Hours Emergency Team' on the same phone number. The Manager should then leave a message for the child's parent/carer either on the telephone or by leaving a note at the house for them to contact the Intake and Assessment Team South on the above number.

An Incident form should be filled in detailing all that took place.

If a parent is late in collecting their child a charge may be incurred.

Procedure for a Collection by Unknown Person

1. If someone not known to us comes to collect a child the Diary and the authorised person section of Babysdays should be checked and the person's identity verified.
2. If there is no record of another person collecting the child, the collector should be politely told that we do not appear to have been informed and that verification from the parent must be obtained.
3. The collector should be invited to remain outside the setting whilst a Practitioner phones the parent. The reaction of the child to the 'stranger' should be noted. If the parent cannot be contacted, one of the emergency contacts should be phoned to see if they know the whereabouts of the parent or can collect the child themselves. If this is not possible then the Intake and Assessment Team South should be contacted for advice (as above).

These incidents should be recorded on an Incident form.

If parent/career are unable to collect but someone else is, a password can be agreed between the parent/career and 'the collector' to be told to the practitioners on collection before the child is allowed to go with that person.
